MORRISTOWN, NJ – Villa Enterprises, one of the nation’s fastest growing multi-concept franchisors, donated a check for \$61,405.00 to the Family Service of Morris County on Friday December 7th. Biagio and Anthony Scotto, the owners of Villa Enterprises/Scotto Properties, made the presentation at the Family Service building in Morristown NJ.

Family Service of Morris County was founded in 1813 and helps by offering affordable counseling, support, education and advocacy through 19 different programs. The Family Service helped over 5,000 families last year. The \$61,405.00 was raised by Villa Enterprises on Sept 25th 2007 at their annual Charity Golf Outing and Dinner held at Ballyowen Golf Club in Hamburg NJ.

"When we were searching for a charity to be the recipient of this year's donation the Family Service of Morris County struck a chord with us. They have dedicated themselves to helping families for over 150 years. We felt fortunate to be a part of the fund raising effort for an organization that helped so many families here in our community", says Anthony Scotto, Executive Vice President of Villa Enterprises.
